I wasn't put on this earth to please you
And you weren't put on this earth to please me.
So you do your thing
And I'll do mine,
But if by chance we meet
It's beautiful.

DEDICATED . . .

to Mme. Jackson, le professeur, who realizes that there is much more to her profession than the forty-five minute contact each day with her students;

to Mrs. Jackson, our *Peak* advisor, whose pep talks, chauffeur service, and "Mon Dieus" have made this book what it is;

but most of all to Diane Jackson, a person, whose understanding for young people and devotion to her work have made her the perfect candidate for this page.

GIL

Guilherme (alias Gil, Guigo) Abreu is our A.F.S. student from Salvador, Brazil. Many things in this country were new to him like snow and football, but he has rapidly adjusted to his American home life, school life, and social life.

Gil has added a certain warmth to the halls of Medfield High School as well as fine athletic ability on the football field. Everyone in M.H.S. will always remember him but watch out girls — as someone once said, "Watch out for those Brazilian boys!"

Oh, the monotony of the Tri-Valley League football championships. Medfield under the leadership of a new head coach, Bill Young, completed another undefeated league schedule. The season had many high spots for the Warriors. The consistently outstanding performances of the players not only brought us this year's championship but also left us with the impression that next year another championship will come to Medfield. Will the monotony never cease? We hope not!

Tri-Valley League Play-offs

MHS	70	Bellingham	59
MHS	72	Dover	88

Whatever happened to the old traditional Medfield basketball? It gave way to the new.

This year Medfield under the coaching of George Ruggiero had its finest season for a long time if not its best ever. The team finished the season with an excellent record of 19 wins and 5 losses which included two victories in the Tech Tourney, one of which was the upset of Dover 69-67.

In Tri-Valley competition Medfield was 13-3 and brought home Medfield's first basketball trophy for second place in the league. In Tech Tourney competition Medfield went to the semi-finals before losing to Acton-Boxboro.

The 1969-70 season had many highlights such as the scoring record of 96 points in one game, playing Nipmuc in the Boston Garden and qualifying for the Tech for the first time in nine years, but nothing is more exciting than the prospects of having teams possibly even better in the near future.
